session, and I have indicated to Senator Bohlke that it would be my desire to see us on Monday spend more than the normal 9:00 to 4:30 day on this particular bill, assuming that the bill is still in front of us, so be prepared with that concern. Second is you have had distributed to you the programs for the tribute to Senator Warner that will be beginning here at six o'clock. For logistical purposes, the preference would be to have the members who are going to be returning, and we certainly hope all of you will be able to, back here and in your seats by twenty till six, so that the rest of the logistical arrangements can be handled. With that, Madam President, I would allow a vote on my motion, I guess is what I'm trying to say.

PRESIDENT ROBAK: Thank you, Senator Withem. Question before the body is the motion to adjourn. All those in favor say aye. All those opposed nay. We are adjourned.
